Conclusion

The job fair successfully bridged the gap between training and employment by creating opportunities for skill-based hiring. It not only supported students in securing jobs and apprenticeships but also strengthened institute-industry collaboration. With improved planning and follow-up, future job fairs can become even more impactful.

This job fair marked a significant step forward in connecting vocationally trained graduates with meaningful employment opportunities. A special thank you to **Don Bosco Mondo, BMZ, the SURABI TVET team, and Don Bosco Vazhikatti** for your vital role in making it a success. Your dedication has paved the way for future collaborations and greater impact
